Spring Term 2025

Dear Parents, Carers and Students,

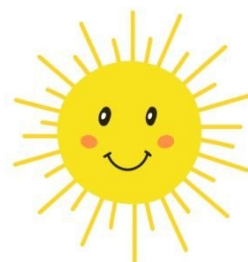

We have had another wonderful term at Eagle Park. This week we had sensory story sessions sponsored by the Lyric theatre and run by the amazing Gemma, who we will now be inviting back on a regular basis.

We celebrated Autism Awareness Day with Dress Up in a Rainbow colour activities. The students have been at the park for forest activities and have been working on art projects across the school. Phoenix had another session with the community police officer and we finished the week with an Easter Egg Hunt.

We wish you all happy holidays and look forward to seeing your young people on 23rd April.

Margaret Carey

Headteacher

Term start date:	Monday 6th January 2025
Term Ends:	Friday 4th April 2025
Half Term:	Monday 17th February to 21st February 2025
Easter Break starts:	Monday 7th April 2025
Easter Break Ends:	Monday 21st April 2025

Class News

Crane Class

Well, what a busy week (again!). We have certainly all deserved the upcoming holiday and there are going to be some very tired Cranes. Some of the highlights of the week were as follows:

On Monday we had a look to see how the potatoes we planted last week in gardening were doing. There was nothing to see! But we know we have to be patient!. Maybe there will be something to see after the Spring holiday!.

On Tuesday we had a go at doing our own version of Monet's Waterlilies. We did very well by using felt tips for the first time.

On Wednesday was Autism Awareness Day. Some people dressed in rainbow colours to celebrate and we learned about it in Assembly on Friday.

On Thursday we made a peach crumble which smelled delicious when it came out of the oven, but was too hot to eat!

We enjoyed practicing our computing skills on Friday and before we knew it the week was over!

Class News

Robin Class

Well done, Robin Class, for an incredible end to the term!

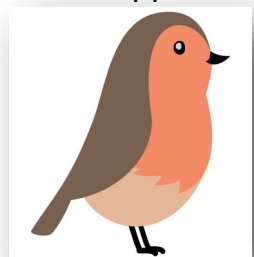

This week, we celebrated Autism Awareness Day by colouring infinity symbols and learning our unique acronym: *Always, Unique, Totally, Intelligent, Sometimes Mysterious*.

We also made delicious Fruit Crumble Cups using bananas, apples, blueberries, and raspberries, focusing on hygiene, preparation, and achieving a crispy golden top.

In English, we explored Chapter 3 of *Charlotte's Web*, analysing new characters and strengthening our inference skills. In Art, we painted bold flower petals on black backgrounds, inspired by O'Keeffe. In Maths, we introduced Anchor Charts to support learning.

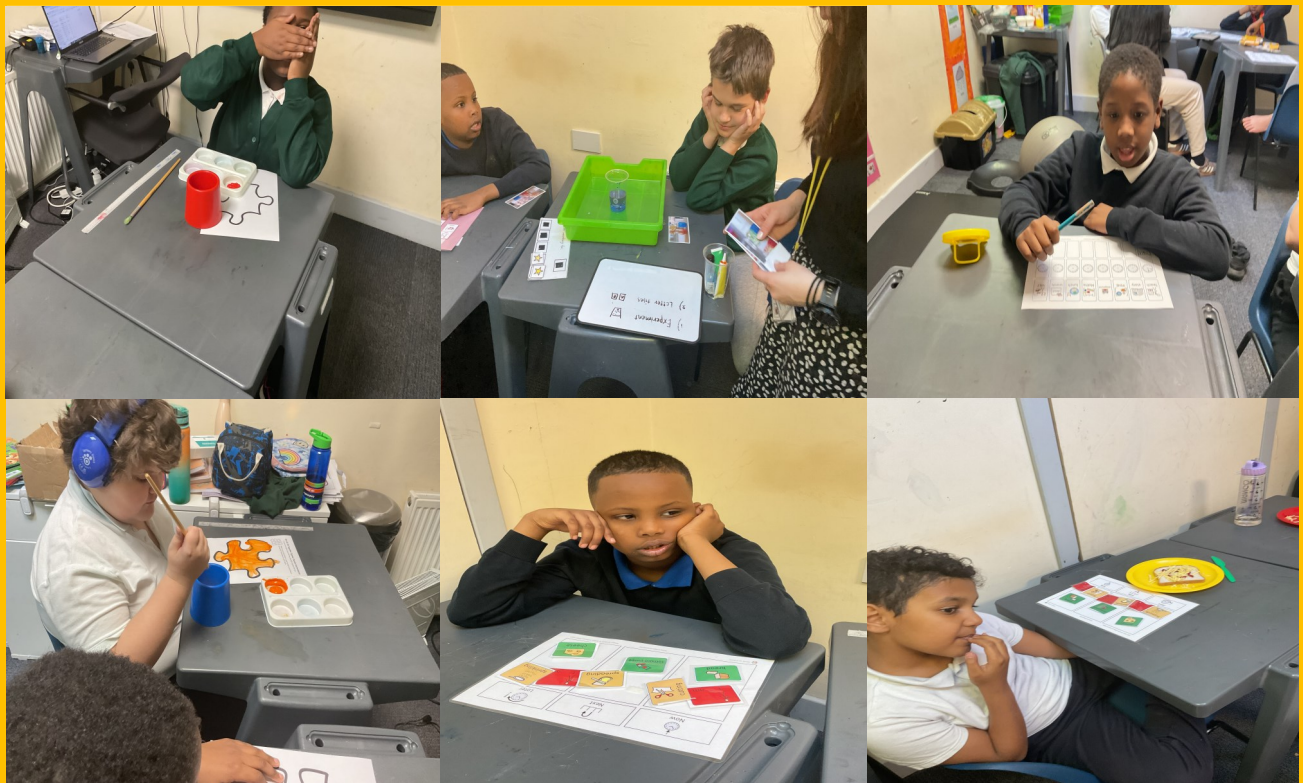

Bravo to everyone for their hard work! Wishing you all a restful Easter break.

"Children are likely to live up to what you believe of them." – Lady Bird

Class News

Dove Class

In Dove Class this week, we have been focusing on autism awareness. The students have been celebrating their differences by creating posters that describe various activities and mindfulness practices. We have also explored different behaviours in PSHE and discussed how to manage them, as well as how we are changing.

In Maths, we continue our work on time, now focusing on making and recognizing o'clock and half-past, as well as sequencing our daily timetable. In English, we have been practicing using— “ing” words for the present tense and -ed words for the past tense by acting out different parts of our books.

In Computing, we are continuing to communicate what we are doing within school through various methods such as typing, speech, and presentations. In Art, we have been looking at how to incorporate the natural environment into our artwork.

Class News

Goldfinch Class

It's Autism awareness week, Goldfinch has been focusing on understanding and celebrating autism, engaging in activities that promote empathy, understanding each difference and that everyone feels appreciated for their unique qualities.

In our spring-themed lessons, we have been exploring the story of The Very Hungry Caterpillar. We enjoyed creative activities related to the story and discussions about growth and change into this vibrant season.

In food-tech, we have been learning about friendship while preparing our special mix of treats to share with our friends.

We also had a special story teller visiting our school. Goldfinch and Robin class was enchanted by the story, and singing songs, her props were amazing too! We definitely had fun!

This week's weather was absolutely beautiful. Our class has been taking part in nature walks and playing at the park.

And to wrap up this week, we celebrated Easter early, we painted eggs and hunted eggs all over the school. What a great way to end this term! Well done Goldfinch Class!

Class News

Phoenix Class

We have had a busy and fun-filled final week of term.

In Food Technology we made macaroni cheese which everyone enjoyed and on Thursday and Friday we made boiled eggs and soldiers for breakfast.

On Thursday, PC Robinson delivered the second session to our class which focused on some of the risk's students might face as they start to do more independent trips and how to keep themselves safe.

In English we have discussed questions and requests and in Maths we looked at 2D and 3D shapes.

In Science, we began creating presentations on the different adaptations that animals have to live in their unique environments.

Over the last few weeks, the students have been working hard to earn merits so that they could have a treat day on the final day of term.

We started the day with an egg hunt followed by ice cream and the Super Mario Bros movie which was enjoyed by everyone!

EAGLE PARK SCHOOL NEWSLETTER

Climate Cops

Our final Climate Cop meeting before Easter break was a really fun one! The students completed their bird feeders and they came out amazing! We have a few owls and some lovely painted bird feeders- which we will be putting out onto the horticulture corner fence after Easter in the lovely sunshine (hopefully!).

We also decided to do our fitness lesson on the large school field, enjoying the nature that we have so close to us. The students played football, American football and even did some fitness tests. We had a plank competition and Climate Cop Eco- Assistant Marcus is the reigning champion for longest plank. It was a lovely day for the students and we hope to continue enjoying the sunshine and field after Easter.

EAGLE PARK SCHOOL NEWSLETTER

Students are nominated weekly for a class award.

**This week's EPS Eagle
Class Award goes to:**

Crane: Hafsa

“For fantastic progress over her first 2 terms at EPS”

Robin: Khuleg

“For his participation in art and the quality of his exchange work in maths.”

Dove: Matthias

“For participating in different lessons and completing his work.”

Goldfinch: All Goldfinch Class

“For doing so well during the term”

Phoenix: Taylor

“For showing growing independence.”

Sensory Storytelling with Gemma Rogers – A Magical Experience in School

We had the pleasure of welcoming Gemma Rogers to Eagle Park Independent School, where she transformed storytelling into an immersive sensory adventure. Using adaptive learning tools, she captivated the children, blending laughter, focus, and Makaton seamlessly into her engaging narrative. It was a joy to witness the magic unfold as she spoke, bringing every word to life with expressive communication and boundless energy.

The learning experience was dynamic, hands-on, and guided by a clear timeline of activities that wove music, movement, and creativity together. The Lyric Theatre's workshop provided an unforgettable experience, inviting children to collaborate in a colourful, interactive setting. The use of props and the ever-popular parachute activity were absolute highlights—so much so that even the adults couldn't resist joining in the fun!

A standout moment was "talking with eyes," where children learned the art of non-verbal storytelling. Most impressive was Gemma's intuitive approach, filled with warmth, care, and a deep understanding of every child's unique strengths. From Robin Class to Goldfinch and Phoenix, the enthusiasm was contagious, with children fully immersed and eager for more.

As educators, we witness many incredible approaches to engaging children, but this was truly special. The workshop didn't just end when the session finished—children were still buzzing with excitement, inspired, and already asking for another chance to experience Gemma's sensory storytelling magic.

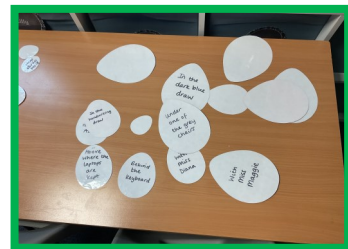

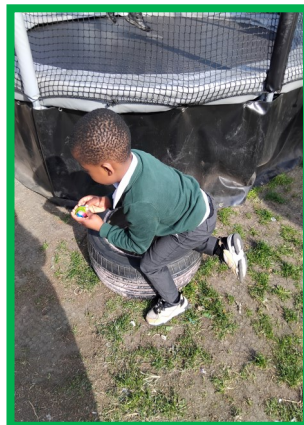

A huge thank you to Gemma Rogers and the Lyric Theatre for creating a space where creativity, expression, and inclusion flourished. It was an experience we won't soon forget!

THERAPY PAGE

Top tips for Using Public Transport

As we approach the Easter holidays, we thought we would share some top tips on how to navigate public transport, including buses, trains and the London Underground. Happy Easter!

OCCUPATIONAL THERAPY

Create a Travel Plan: Check schedules, identify transfer points, and note accessibility features. A clear plan reduces anxiety and smooths the journey.

Manage Sensory Overload: Use noise-cancelling headphones, sunglasses, and fidget tools. Apps with real-time crowd updates can help choose less crowded times.

Practice & Familiarisation: Start with short, simple journeys and gradually increase complexity. Practicing with a companion can provide support.

SPEECH AND LANGUAGE THERAPY

Setting expectations: Create a visual schedule highlighting the steps of the journey. Refer to it regularly during the journey to reduce anxiety. Review expectations during the journey by using visuals and social stories.

Communication cards/boards: Keep communication cards/communication boards with relevant words/phrases (i.e. 'when is the next stop?', 'may I sit here?', 'please help') accessible. Encourage their use when verbal communication is difficult.

Practice social skills: Practice common travel interactions, such as purchasing a ticket or requesting a seat. Similarly, practice asking for directions at a train station. Use structured scripts and celebrate small wins!

What parents need to know about AGE RATINGS

If you have children, it is understandable to have concerns about the films and TV shows they watch, as well as the games they play. In this guide, we take a look at the two official ways you can assess if a particular title is suitable for your child. Both the BBFC and PEGI have search facilities on their websites that can be used to look up individual titles so you can check their ratings.

RATINGS FOR FILMS, TV & MUSIC VIDEOS

Since 1912, the BBFC (British Board of Film Classification) has informed UK residents of the age suitability of films, TV and music videos - providing parents with the information needed to assess whether or not it is appropriate for their child's age. This applies to cinema releases, DVDs and streaming video services such as Netflix.

WHAT ARE THE BBFC RATINGS?

BBFC ratings are broken down into seven age categories:

WHAT ELSE CAN BBFC REVEAL?

Accompanied with the age suitability rating, BBFC also provide an additional warning regarding the content and what to expect, such as swearing, sexual content, violence and anything you may consider to be inappropriate for your child. In addition to this, the content is also rated in three levels: frequent, mild or strong.

LIMITATIONS OF BBFC RATINGS

It's important to note that there is no obligation on streaming video services to use or display BBFC ratings. Due to this, we advise that you check the rating online before your child streams the content. It may also be a good idea to watch the content first yourself or discuss it with other parents to help you decide whether or not it is suitable for your child.

Source: www.bbfc.co.uk

RATINGS FOR GAMES

PEGI (Pan European Game Information) is a content rating system that ensures all video games are labelled with a minimum age recommendation. These age recommendations are based on the types of content featured within a game. With each game, PEGI also provide a content descriptor that indicates the potential issues and concerns, including sex, violence, bad language and drugs.

WHAT ARE THE PEGI RATINGS?

PEGI ratings are split into age restriction and content descriptors. Additional 'content descriptors' help parents and children to understand the type of content featured within a particular game, including sex, fear, bad language, discrimination, gambling, drugs, violence, and in-game purchases. In combination, the two different ratings can provide a good level of information to help make informed decisions regarding the suitability for your child.

PEGI age ratings are broken down into five categories:

PEGI content descriptors are broken down into eight categories:

LIMITATIONS OF PEGI RATINGS

It's possible for young people to buy games online without a required proof of age, opening them up to age-inappropriate content without you knowing. We advise that you regularly monitor your child's gaming activities and maintain a honest and healthy dialogue with them about the online world.

PARENTAL CONTROLS

It is a good idea to put in place parental controls for all online accounts which your child may use to purchase or download online games e.g. The App Store, Google Play Store, PlayStation Store and Microsoft Xbox Store etc.

Updates to contact details

If you need to update your contact details, or the details of one of your emergency contacts, please email the school office

admin@eagleparkschool.co.uk with the new information as soon as possible.

Contacting our school office

Our school office hours are 8:00am-3:45pm; by telephone (0203 876 5076), and by emailing **admin@eagleparkschool.co.uk**. All emails for staff are sent to this account; staff's personal email addresses must not be used. Emails are read throughout the school day; we aim to respond to non-urgent emails within five school days. If our office team are unable to answer your telephone call, please leave a message. Your call will be returned as soon as possible.

As a reminder any Safeguarding or urgent enquires you can email Admin on **admin@eagleparkschool.co.uk** or Telephone and leave a message on (0203 876 5076) out of school hours.

Our School Aim

To give our pupils a purpose & equip them for their future.

To build positive relationships with all stakeholders.
Celebrate success & achievement, no matter how big or small.

Our School Vision

More than just a school, we are a community with a culture and ethos that embodies "togetherness". We work hand in hand to develop curious and confident children with an understanding of how to be socially, morally, spiritually and culturally aware

Our school Values

Our 3E's promote self esteem and confidence

Effort - I will always do my best

Equality - I will always respect others

Empathy - I will try and understand how you feel

EAGLE PARK SCHOOL NEWSLETTER

Labelling items

Please ensure every item of your child's clothing - including gloves and hats - is labelled with their name. This ensures items can be returned to their owner and saves time when getting ready to go outside. We have some items of clothing that can never be returned to their rightful owner because they are not labelled.

Reporting pupil absence

In line with our Attendance Policy, parents/carers must telephone the school (0203 8765076) or sent an email to admin@eagleparkschool.co.uk to inform us of the specific reason for their child's absence on each day of absence (unless the illness is prolonged, e.g. chicken pox). Symptoms must be provided; advising that children are 'sick' or 'unwell' does not give enough information. In accordance with Government recommendations, a pupil suffering from diarrhoea and/or vomiting must remain off school for 48 hours before returning. For example, if they are sent home from school on a Tuesday after being sick, they can return on Friday, provided there are no further episodes of vomiting on Wednesday or Thursday.
