Autumn Term 2023

Dear Parents, Carers and Students

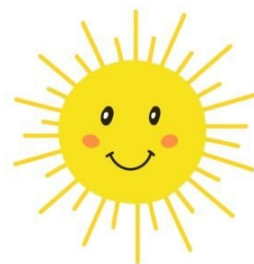

I am very happy to announce that I was appointed permanent headteacher last Friday 22nd September. I look forward to working with students, families and staff to ensure that the school remains the happy and thriving community it is. I will be organising meetings before half term so that I can meet all families and talk about our curriculum. I am always available to see parents and carers, so please do not hesitate to phone or email me if you want to organise a meeting.

This week our students started their swimming lessons and these will continue throughout the year. Everyone loved being in the pool and our instructor Joe is an SEN specialist coach who made all the sessions incredible fun. Today our students celebrated their talents and just how amazing they are with our "I'm a Superhero Day". You can read about their powers in the newsletter.

All of us at Eagle Park wish you a very happy weekend!

Class News

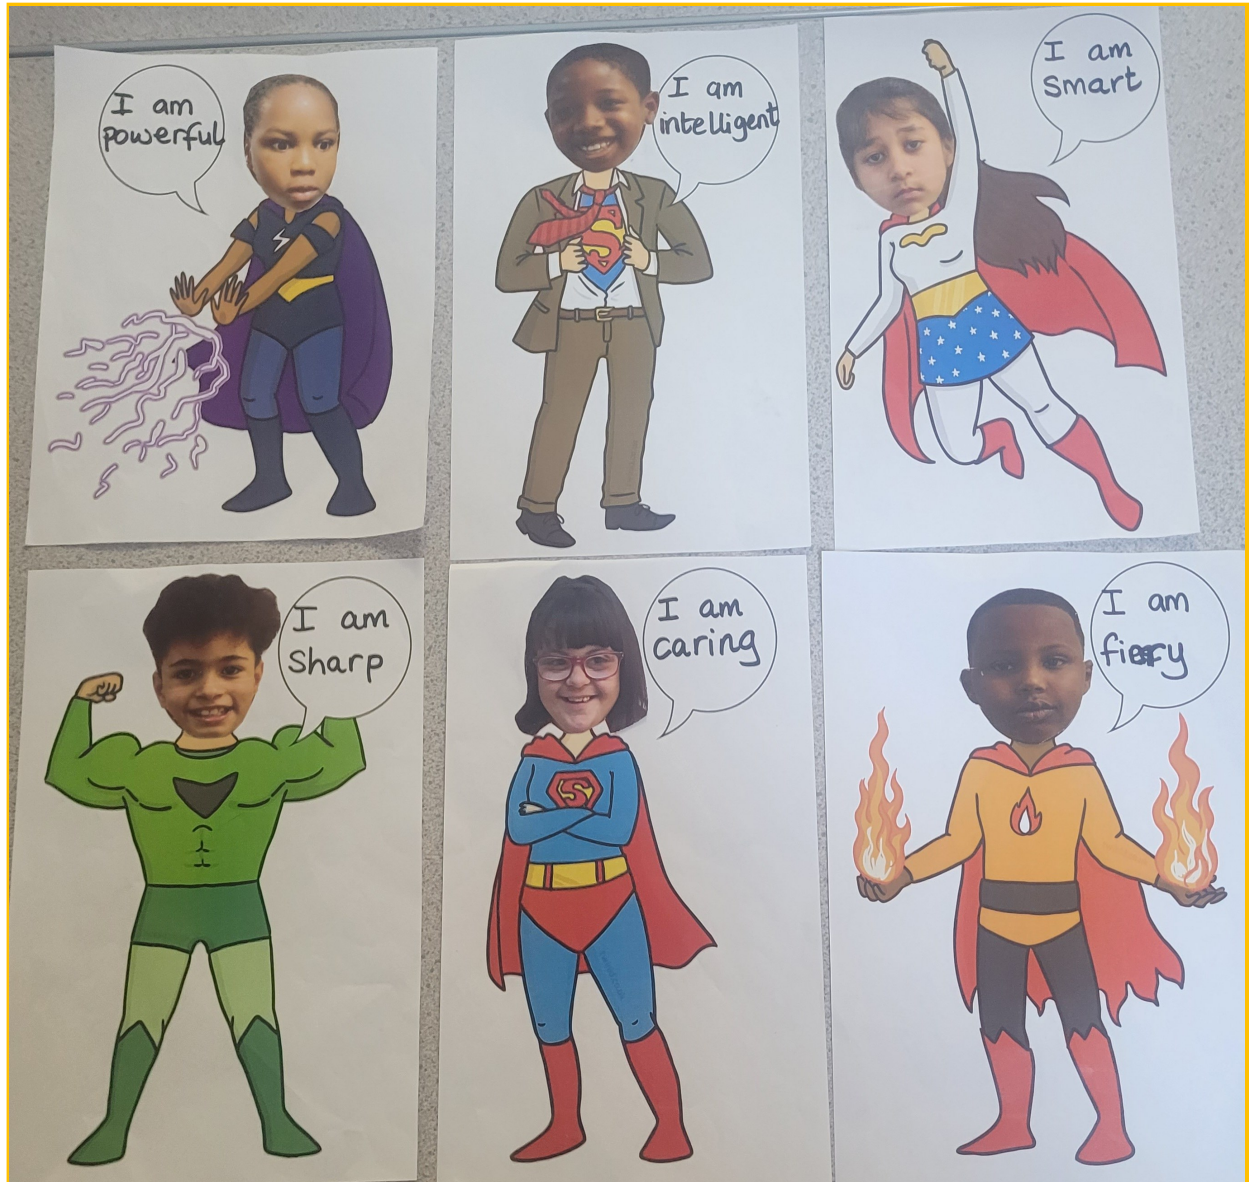

Crane Class

This week in Crane Class, the primary emphasis has been placed on learning our fundamental phonemes and putting them together to form words in order to gain a head start on learning how to read. In addition to this, we have been working on perfecting our pencil grip and learning how to appropriately make letters. In mathematics, one of our goals has been to ensure that pupils have a complete comprehension of numbers up to 20. We have also continued to look at shapes in both two and three dimensions.
