

# EAGLE PARK SCHOOL NEWSLETTER 4

## Autumn Term 2023

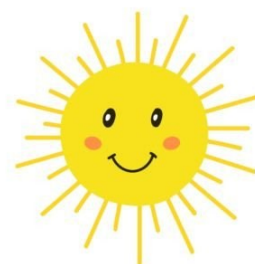

Dear Parents, Carers and Students

We have had another very happy and exciting week at Eagle Park School. We became a Poetry by Heart school this year and kicked off their annual activities on the 4th October with celebrations for National Poetry Day. Each class worked on the poem "Cottage" by Eleanor Farjeon and students wrote poems about what they would have in their dream Home. Everyone had amazing ideas - from slippery snails to modern tech game rooms! It was wonderful to know that our students were working alongside hundreds of other students in schools all around the UK.

All of us at Eagle Park wish you a very happy weekend!

## Crane Class

This week in Crane Class, pupils have been learning how to recognise their name, develop control in their hands and wrists for writing and give meaning to the marks they make. At Eagle Park School, we teach our pupils to write in pre-cursive script and they will have plenty of opportunity to practice as the year develops. We are also beginning 'Mighty muscles' to strengthen their fine motor skills in preparation for writing. For maths we have been focusing on number work, especially recognising numerals 1—20 and reciting numbers in order. Using fingers/marks/pictures to represent numbers and realising anything can be counted, including jumps and claps. Crane Class PE sessions are on Wednesday afternoons. Please make sure your child is wearing an appropriate PE kit, a plain tracksuit when they arrive at school every Wednesday. We have been going to our local park for our PE sessions.
